

Highlands Community Assn 2018 Christmas Yard Contest

Once again the spirit of this festive season is evident at so many of our Highlands homes. The yard décor is better and brighter than ever! Lights and figures abound making our community a wonderful place to celebrate the holidays.

The annual HCA Christmas Yard Contest drew fantastic nominations again this year, and many more homes are beautifully decorated. (Don't be shy about submitting a nomination, please!)

Drive through the Highlands to see the nominated homes and winners. Starting at the Woodpecker end of Eastfair, travel towards Nash, cross over to Highland Glen, and follow the list back to Eastfair.
