LATE SUMMER DISCOUNT

Traveling during the first part of the summer? New this year: Members may join at a discounted rate beginning on July 20. They will have four full weeks to use the pool, plus four additional weekends after CCPS returns to school. Discount will be approximately 25%. Initiation fee rules still apply.

POOL ENTRY AND MEMBERSHIP KEY CARDS

- All members and guests must check in before entering the pool area.
- All members ages 11 and older will be issued a membership key card containing a unique barcode.
- Each member will scan their card at the front desk to check in before entering the pool area. Lifeguards will verify that the member's photo matches the member checking in.
- Members may also check in at the front desk by giving their full name and address.
- We ask that members scan out using their key cards when leaving the pool. This helps us know how many members are at the pool and justifies the need to have extended pool hours based on how often and how long members use the pool.
- We recommend taking a picture of your membership card. You may scan it to enter the pool.
- Members who sign up by April 30 can pick up key cards at the open house on May 19.
- The fee for a lost membership key card is \$5.00.

NEW REGISTRATION SYSTEM

Please have patience with us as we transition to our new pool software, eSoft Planner. With eSoft you will be able to sign up and pay for a pool membership, as well as purchase digital guest passes, all in one place. We will be able to update you on pool news and activities throughout the season. Beginning in 2025, you will be able to make multiple installment payments instead of just two. It's been a tremendous undertaking to transition from Cell Badge, but we know it'll be great!

HOW TO REGISTER

- **2023 Pool Members:** On April 3, 2024, an email was sent to your primary email address from last season containing a unique link to access your new eSoft pool account. If you were a pool member last year and didn't receive this email, let us know. *Do not create a new account or it will prompt you to pay another \$300 initiation fee!*
- **NEW Pool Members and Non-Resident Pool Members:** Go to <https://bit.ly/2024POOL> to apply for a pool membership. New applications will go to a waitlist until they are verified by ACS West and/or the Highlands Pool Committee. Once approved, you will get an email with instructions on how to create an account. Please allow three (3) business days for processing.
- All members must upload a current photo of every family member on their account.
- Please register and pay pool fees **before May 20**, or you may not have access to the pool for Memorial Day Weekend.
- Credit card payments will be charged a 3% convenience fee. No fee for payments by check.
- ALL OF THIS INFO, including links to join are available at www.highlandsca.com/pool.
- Please email pool@highlandsca.com if you have questions or encounter any problems with your application or registration - we will be happy to help you!

NEW FURNITURE

We are excited to announce that the HOA board approved the purchase of new pool furniture. The first phase of new furniture has already been delivered to the pool, adding more tables and chairs to accommodate our pool members! The second phase of new furniture will be added for the summer of 2025. For this season only, we will use a combination of the new and existing furniture.

LAP SWIM

We intend to have two (2) lap lanes available during regular pool hours. If a lap lane is unavailable during pool hours due to swim team practice or any other reasons, please notify a lifeguard and they will assist you.

HIGHLANDS SWIM TEAM

POOL RULES

All members and their dependents should be familiar with these rules. They are designed for the safety of all members. This is a family facility and the rights, privileges, and safety of all members should be respected. Failure to follow these rules will be grounds for the suspension or revocation of your privileges and/or membership.

- The lifeguards, pool manager, and Highlands Pool Committee are fully authorized to enforce all rules and regulations, and may temporarily suspend violators, as they deem necessary.
- If an individual has been suspended from the pool, they may not enter as the guest of another member during the period of their suspension.
- If a member or a member's guest repeatedly disobeys rules and regulations, the Highlands HOA may revoke the member's membership without a refund.

APPROPRIATE BEHAVIOR

We foster an environment of safety and respect in which our members, guests, and staff feel safe and comfortable. The Highlands reserves the right to have an individual removed from the facility, and/or to suspend or revoke membership or program participation privileges to anyone who displays inappropriate and harmful behavior toward staff, fellow members, or guests.

As in any emergency, if you see something that needs police, fire, or ambulance assistance please call 911 immediately. Otherwise, please report any unsafe situation or suspicious behavior immediately to the Manager on duty. They will react accordingly and alert the appropriate people as needed. If you do not feel comfortable or confident directing your concern to the staff in person, or if your concern is related to staff members themselves, please send an email to both the Pool Committee and HOA Board of Directors: pool@highlandsca.com and board@highlandsca.com.

- Abusive, foul, discriminatory, and/or profane language or breach of the peace will not be tolerated anywhere on recreation facility property.
- No horseplay including dunking, pushing, and running.

- Spitting of water or any similar unhygienic actions will not be allowed.

BABY POOL

Children must be accompanied by an adult at all times in the baby pool. The supervision and safeguarding of users of the baby pool are the responsibility of the parents or caregivers of the children using the baby pool. SwimMetro and/or the Highlands shall not be responsible for any injury or loss resulting from the use of the baby pool.

BATHROOMS

The lifeguards clean the pool bathrooms regularly throughout the day. Please notify any lifeguard on duty if the bathrooms need immediate attention.

BIKES/SKATEBOARDS/SCOOTERS

Baby strollers, wagons, and wheelchairs are the only wheeled vehicles allowed in the fenced pool area. Any other wheeled vehicles should be parked in the bike racks provided.

CHILD WAIVER PASS

No separate child waiver for ages 11 - 15 is required this year because it is included in the pool membership application. The following criteria must be met for children ages 11 - 15 to use the pool without a responsible person (16 years or older):

- Swim the length of the pool without assistance.
- Be mature enough to follow pool rules and obey lifeguards.
- Waiver access will be revoked if a child does not follow these criteria or pool rules.

- When diving, you must dive straight off the end of the board. You may not jump/dive to the side.
- Only one person is permitted on each diving board or ladder at a time.
- The diving well must be clear BEFORE the next swimmer jumps/dives; meaning the previous jumper/diver must be either out of the pool or on the exit ladder before the next person jumps/dives. After diving/jumping into the water, the swimmer should quickly exit the diving area.
- Never hang onto the edge or ends of the diving boards.

- Anyone using the blue slide must know how to swim without flotation devices and exit the slide area on their own.

LAP SWIM / SAFETY BREAKS

A ten to fifteen-minute safety break where all individuals must exit the water may be implemented, as needed, throughout the season. Individuals may remain in the main pool as long as they are continuously swimming laps in the lap lanes.

We intend to have two (2) lap lanes available during regular pool hours. If a lap lane is unavailable during pool hours due to swim team practice or any other reasons, please notify a lifeguard and they will assist you.
