Dear Highlands Residents,

As we approach Memorial Day, our community has a meaningful opportunity to come together in remembrance, reflection, and unity. In honor of America's 250th founding, the Highlands 250 Committee is planning a Memorial Day Celebration & Flag Plaza Dedication —and [we invite you](#) to be a part of it.

While this historic milestone celebrates our nation as a whole, we believe its true spirit is found in communities like ours—the neighbors, families, and friends who collectively form the fabric of America. This year, we aim to honor that idea by focusing on our neighborhood by celebrating that each of us make it so special.

In commemoration of our nation's historic milestone, a permanent flagpole will be installed in the roundabout at the Highlands Lake Clubhouse. This flagpole will serve as a lasting tribute—not only to those who have given their lives in service to our country, but also to the enduring values of unity, sacrifice, and community that Memorial Day represents.

We are **currently seeking community participants** to help make this event, July 4<sup>th</sup> and Labor Day events meaningful and memorable. Opportunities to participate include:

- **Musical talents**
  - Do you sing or play a musical instrument? We are looking for community members to perform the National Anthem and Lift Every Voice and Sing
- **Offering brief remarks on what America means to you**
  - We'd love to hear from a cross-section of the community, inviting 3-4 voices from younger residents, millennials, and older generations to share perspectives that reflect the richness and uniqueness of our individual experience
- **Assisting with ceremony planning and coordination**

Whether you would like to participate in the event or simply attend, your presence will ensure a ceremony that reflects the heart and spirit of our neighborhood. Let's come together to honor the past, celebrate our present, and recognize the strength of The Highlands as part of America's story.

If you are interested in participating or wish to stay updated on other Highlands250 events to come, please email the Committee at [hca8400@gmail.com](mailto:hca8400@gmail.com) or visit [www.highlands250.us](http://www.highlands250.us).

With Appreciation,  
The Highlands 250 Committee
